Ultimate Bundle Math & Functional Task Cards

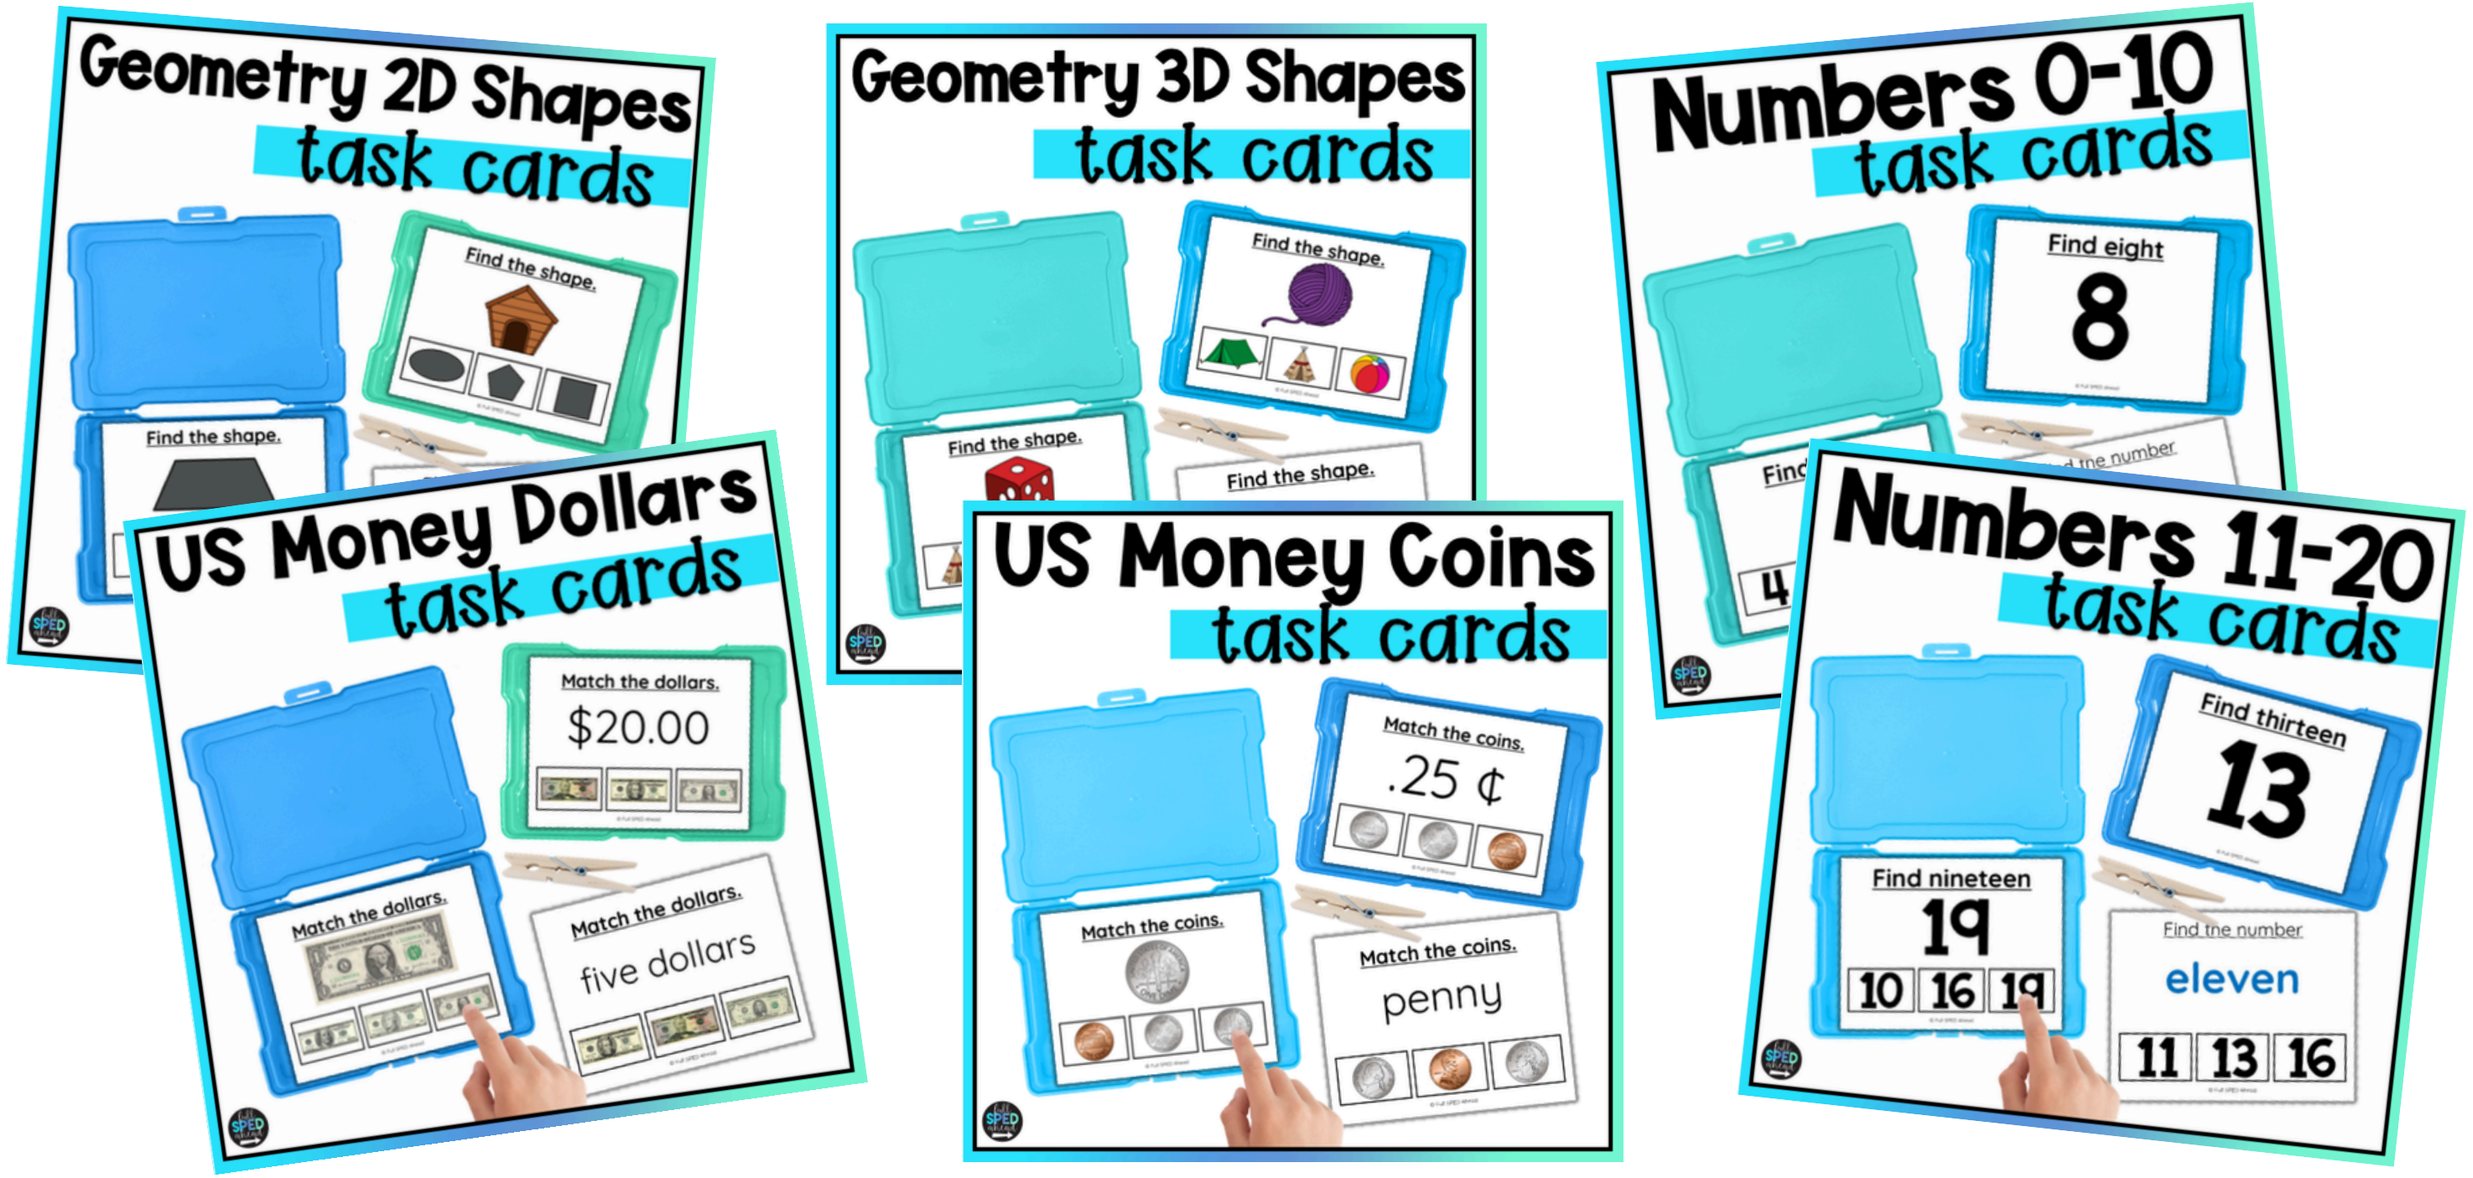

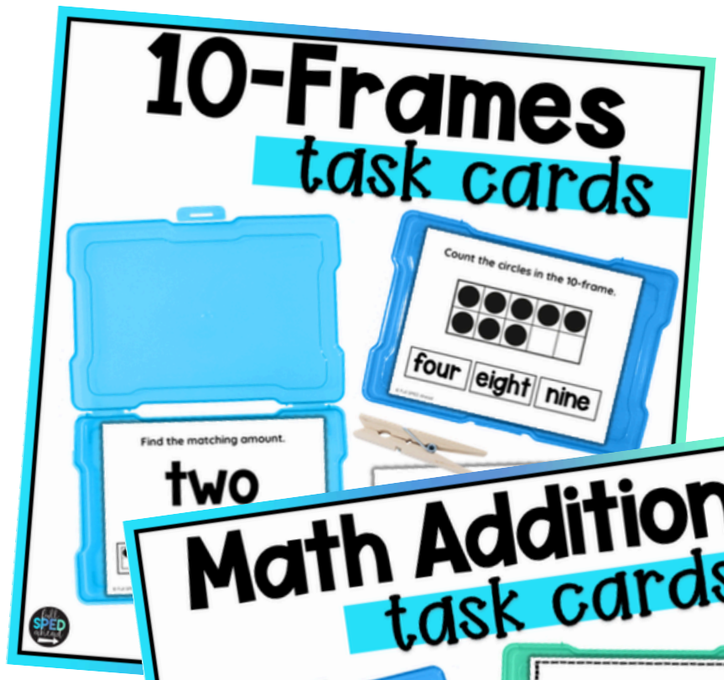

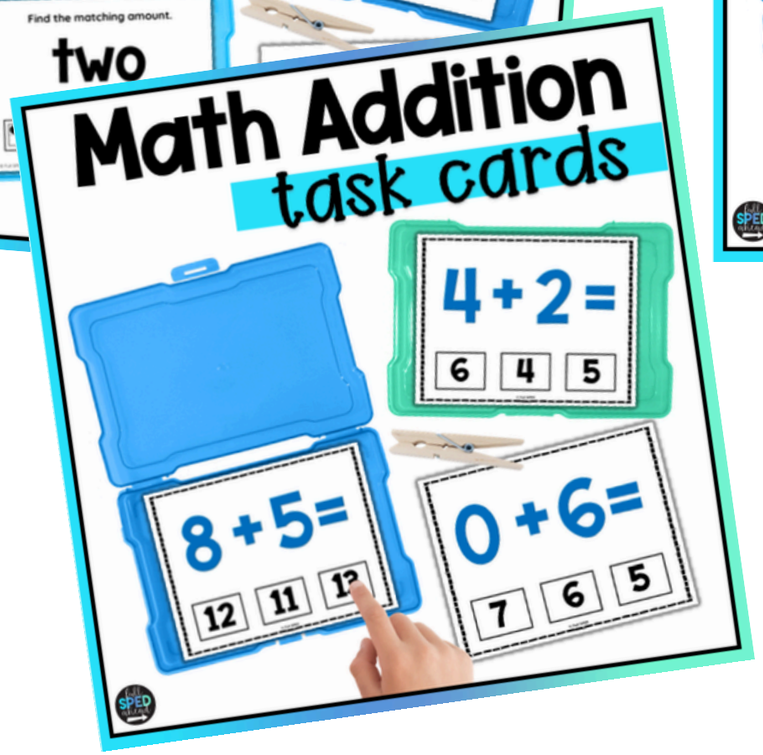

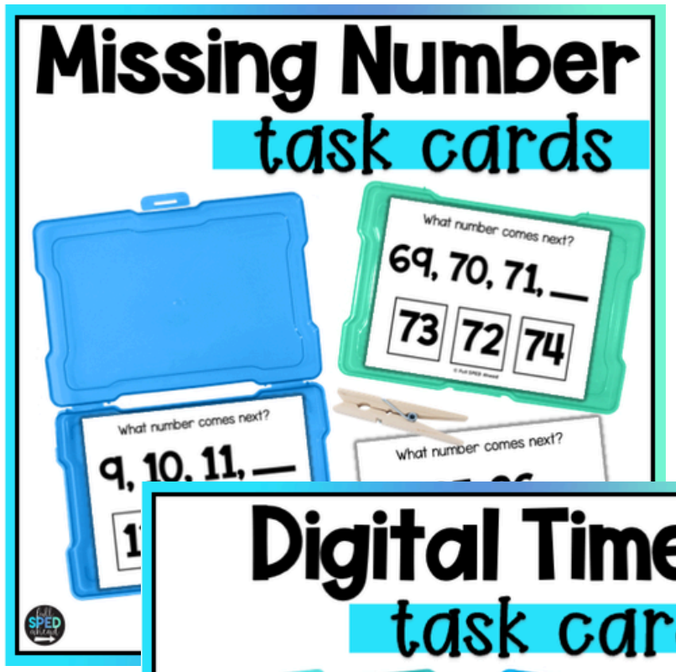

Ultimate Bundle Math & Functional Task Cards

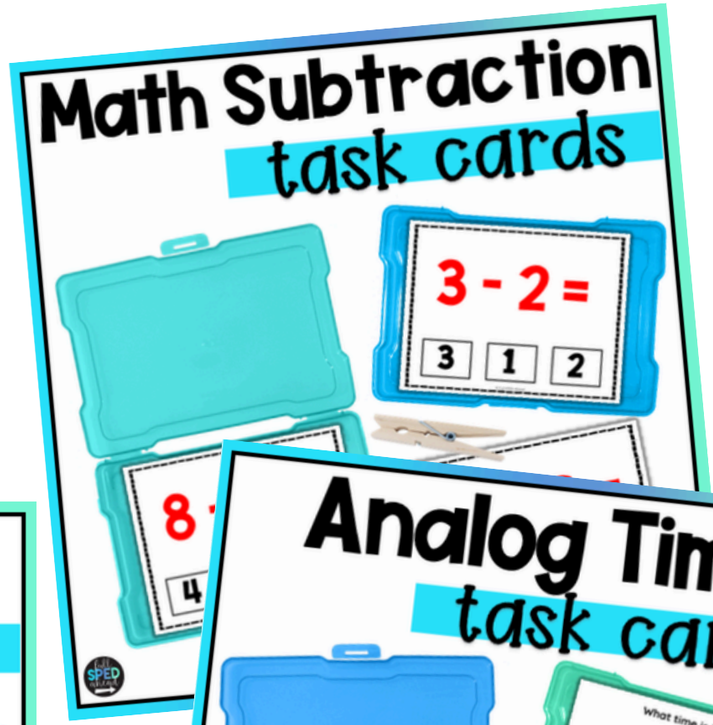

Ultimate Bundle Math & Functional Task Cards

Ultimate Bundle Math & Functional Task Cards

50+ task card sets to use in centers

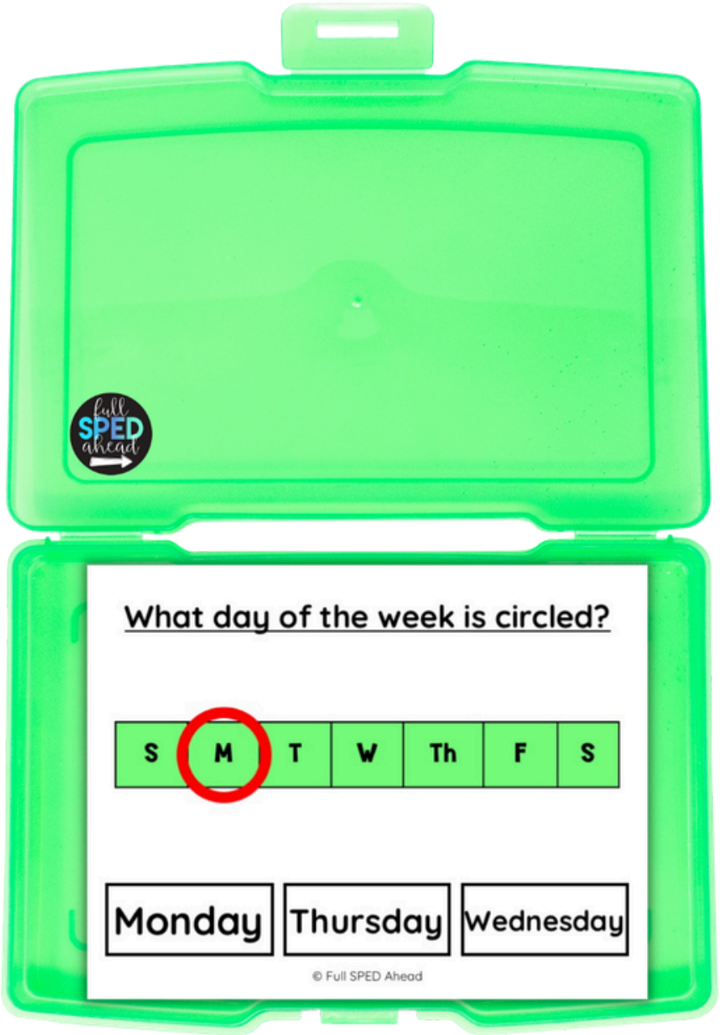

Use this in your special education classroom for direct instruction, individual work, small groups, and in task box centers.

Appropriate for early learners of any age in special education!

Why? Functional Math Task Cards

- Models start & stop task completion
- Students can show understanding and knowledge
- Promotes independent working skills for students
- Comes with data sheets and sample IEP goals for each set of task cards

How can I use this resource?

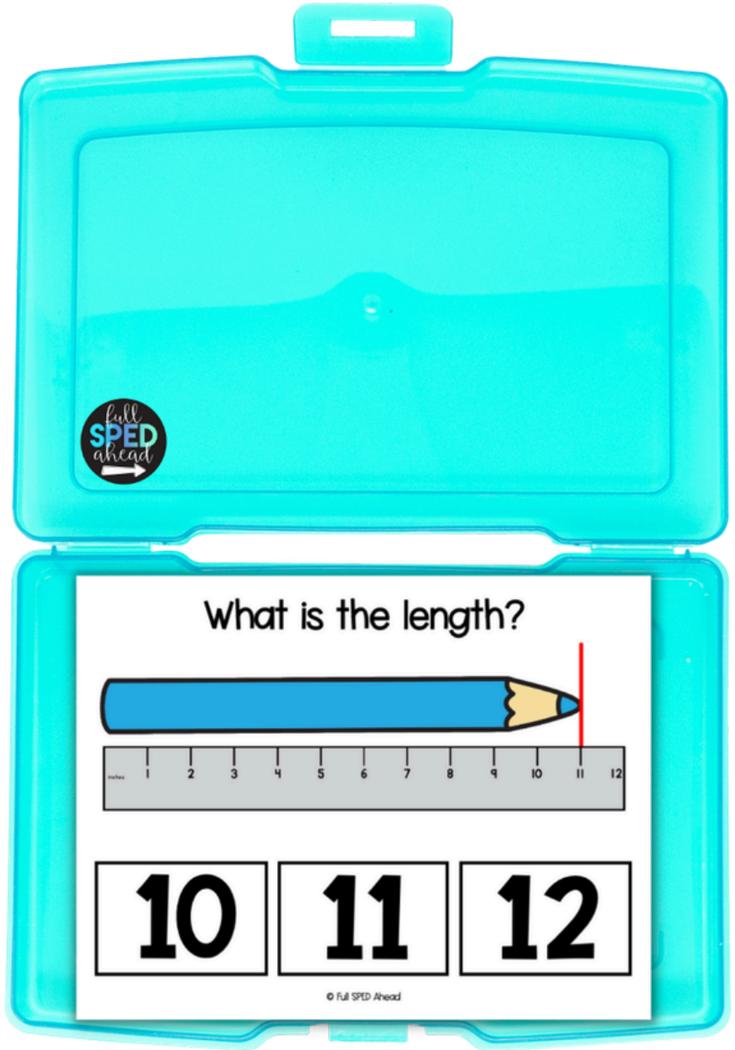

1. Use for morning work, independent centers, small groups, down time or whole group instruction

2. Put in student IEP binders or bins for data tracking towards IEP goals

3. Students use a clothes pin, circle with a marker, point to or use a mini eraser to select answers

EASY PREP

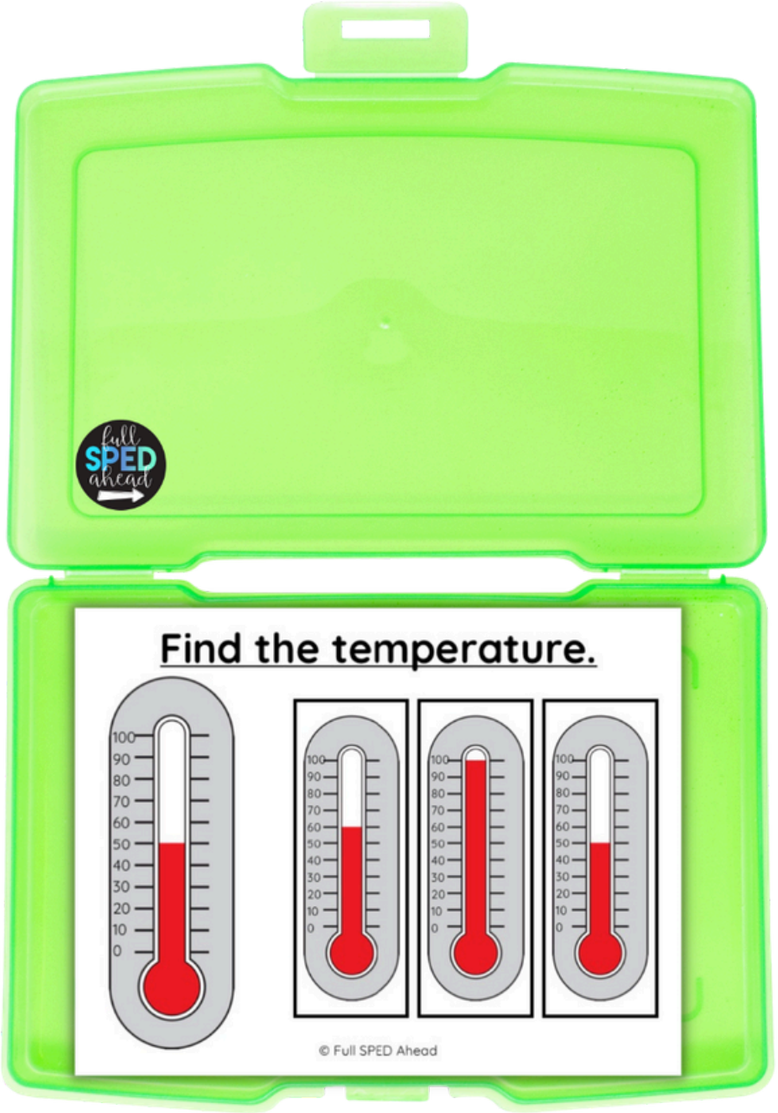

Print the full set for your students & laminate for multiple uses for the entire school year and beyond!

I highly suggest using 5mil lamination

One of the best resources I have purchased for my classroom! So comprehensive and gives me a variety of concepts to work on with my students. Love that I can use this for direct instruction or independent practice. My students loved using these! - Sarah S.

My students completed these activities each day independently, which was super helpful when needing to work with other students 1:1. Thank you! - Heather

I love this task box bundle!!!! It has task box items for my higher functioning students and the lower functioning ones. Educational activities that my students find fun and love doing! - Sarah N.

These resources are amazing. My students love them and they are great for a variety of things - independent work, small group, whole group, and direct instruction of a new skill. If you are on the fence, definitely get it; worth it. - Sarah J.
