Letter Mazes

Back to School Brain Games

Check this out!

Use this in your special education classroom to promote fine motor and fun games to use their brains!

Why?

Letter Mazes for Leisure

- Work on fine motor skills in a fun way!
- Students can use for down time, leisure or centers
- Perfect for early finisher work or independent work

How can I use this resource?

1. Put activities in a binder or work task and pull out when you need to fill classroom down time

2. Morning work, independent centers, small groups, substitute plans or whole group instruction

3. Students can use highlighters, markers, crayons or bingo daubers to all have accessible opportunities

NO PREP

Print the worksheets and put copies in a binder or task bin for year long use! Great for quick activities that can be easily prepped and given to students!
