Check out what other teachers have said:

Excellent task boxes!!!! You included several that my class completes. I like having the "steps" in the same format as other task boxes. Yours are so clear and easily understood. Thanks for saving me the time! - Carla

I absolutely love everything Heather creates! She really understands life skills and her resources are always perfect for my students! This is the same! Easy to prep and follow, very hands on and engaging. Very thorough! - Sarah
