

# Check this out!

Use this in your special education classroom to teach reading various charts and graphs. Work on number identification and counting too!

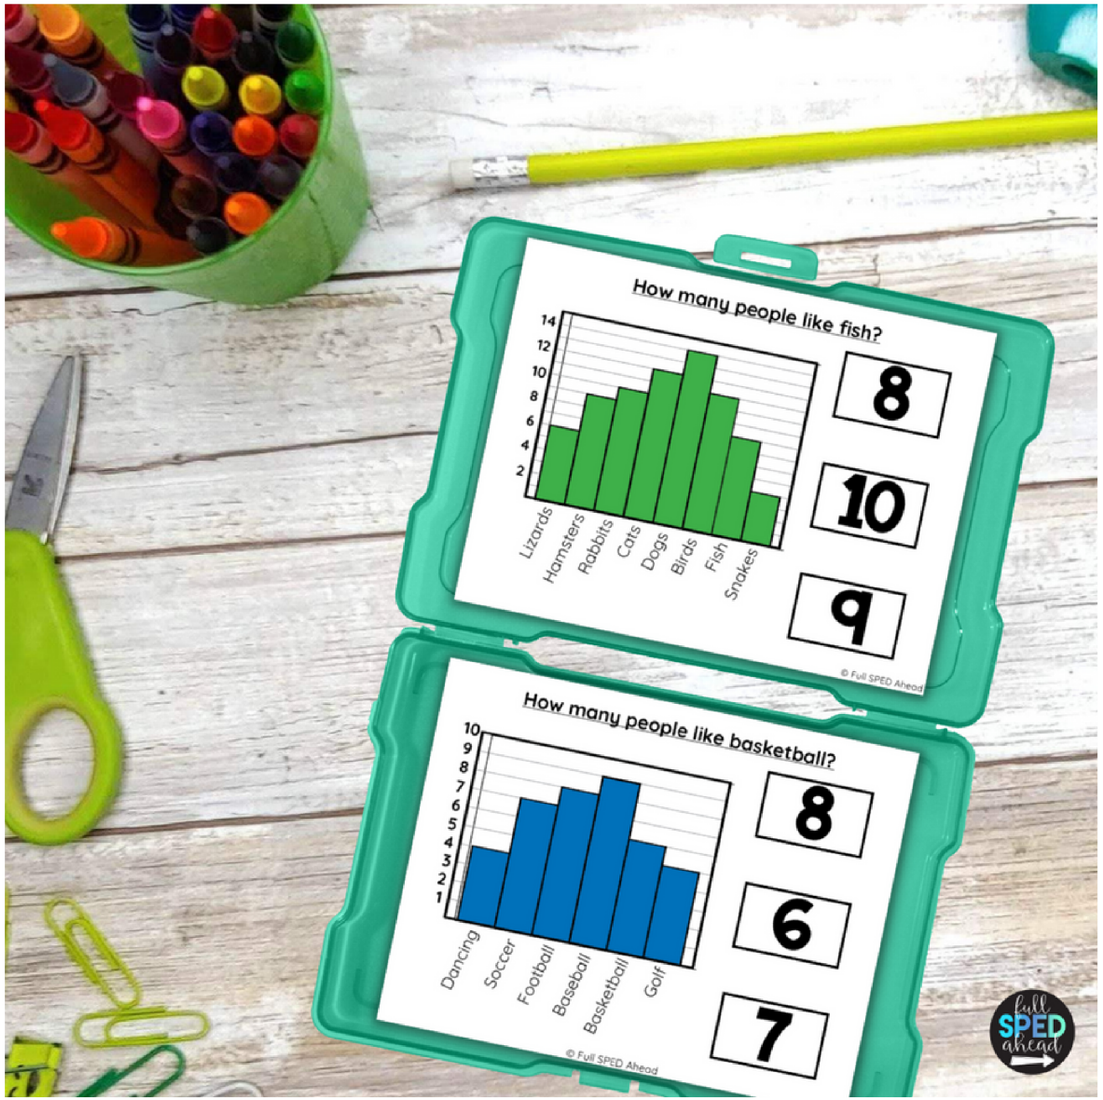

# Why?

# Graphing Task Cards

- Models start & stop task completion
- Students can show understanding
- Promotes independent work

# What is included in this resource?

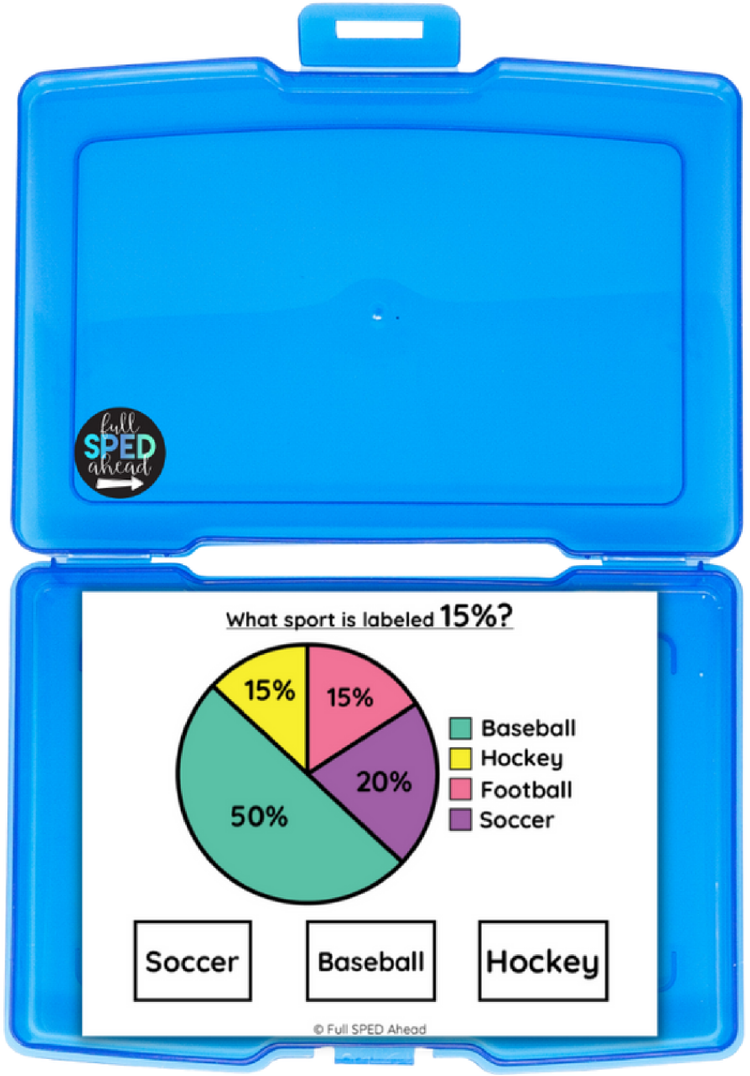

- 5 sets
  - 2 Bar Graphs
  - 2 Circle Graphs
  - 1 Dot Graph

# How can I use this resource?

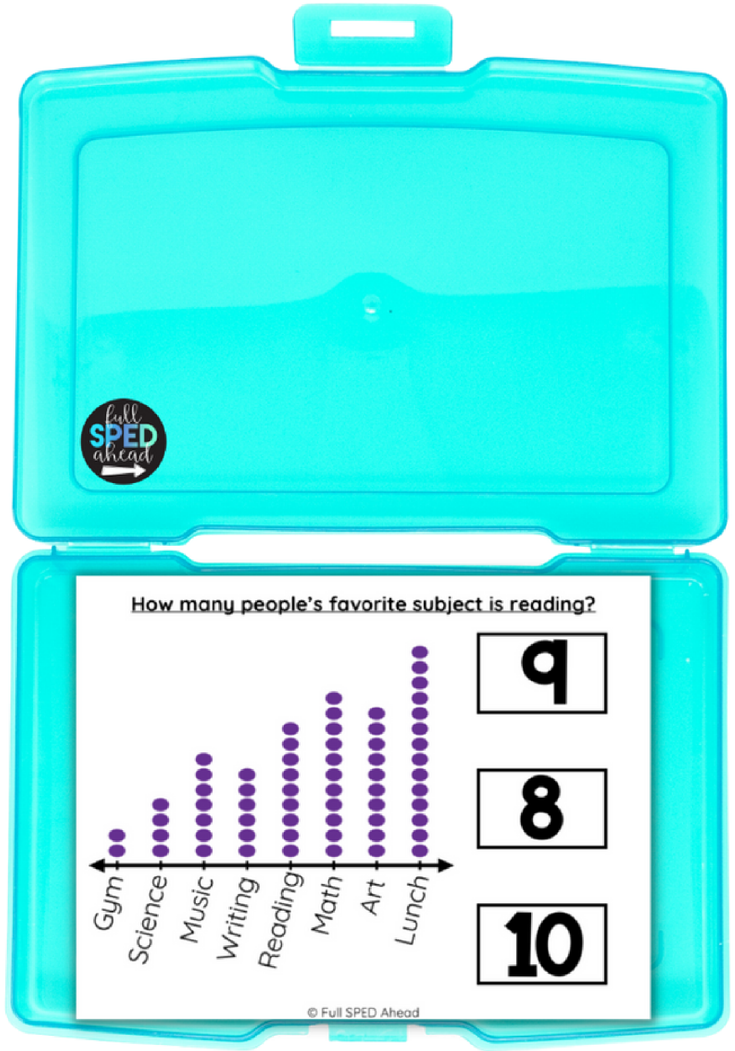

1. Use for morning work, independent centers, small groups, down time or whole group instruction

2. Put in student IEP binders or bins for data tracking

3. Students use a clothes pin, circle with a marker, point to or use a mini eraser to select answers

# EASY PREP

Print the full set for your students & laminate for multiple uses for the entire school year and beyond!

I highly suggest using 5mil lamination

# Check out what other teachers have said:

This was a great task card activity to laminate and pull in 1:1 or small groups for my self contained classroom. It eliminated distractions and was easy for them to understand. Thank you for making this! - Hannah

Reading and analyzing graphs are challenging for my students. I'm glad that I found this resource which makes it easier for my students learn how to interpret data using graphs. - Rhacquel
