Use this in your special education classroom to teach the difference between wants and needs through basic economics!

Why?

Wants and Needs Task Cards

Models start & stop task completion

Students can show understanding

Promotes independent work

What

is included in this resource?

- 1 task cards with 30 real images

How can I use this resource?

1

Use for morning work, independent centers, small groups, down time or whole group instruction

2

Put in student IEP binders or bins for data tracking

3

Students use a clothes pin, circle with a marker, point to or use a mini eraser to select answers

EASY PREP

Print the full set for your students & laminate for multiple uses for the entire school year and beyond!

I highly suggest using 5mil lamination

Check out what other teachers have said:

Great task cards to be used in direct instruction or independent work when mastered. Very useful! - Anna

Great resource, worked really well teaching wants vs needs with my life skills support students. - Ashley
