printable tracking for lesson/units & month

clear written standards in order

EE.W.11-12.8 Write answers to research questions by self and others using multiple relevant information from multiple resources.

EE.W.11-12.9 Cite evidence from literary or informational Standards to literature (e.g., "Compare and contrast elements of American literature to other literary works, self, or one's world." "Compare themes, topics, locations, context, and point of view.").

EE.W.11-12.10 Write routinely over extended time (e.g., a semester) in a researched topic, reflecting on how one's understanding of a topic or issue evolves over time.

Other Teachers Have Said....

Great tool for planning out my lessons and will keep using it. – Dawn

This is a great resource for my life skills day program, thank you! – Tracey

I'm using this for my DLM students. I love that it's charted out so nicely. – Dionne

This is a great resource! Super helpful to keep track if you've hit all the standards through the year. – Mrs. Aragon
