	Hold the jar with one hand	
	Grip the lid with your other hand	
	Twist the lid to the left	
	If it's tight, use a	

IEP GOAL SUGGESTIONS

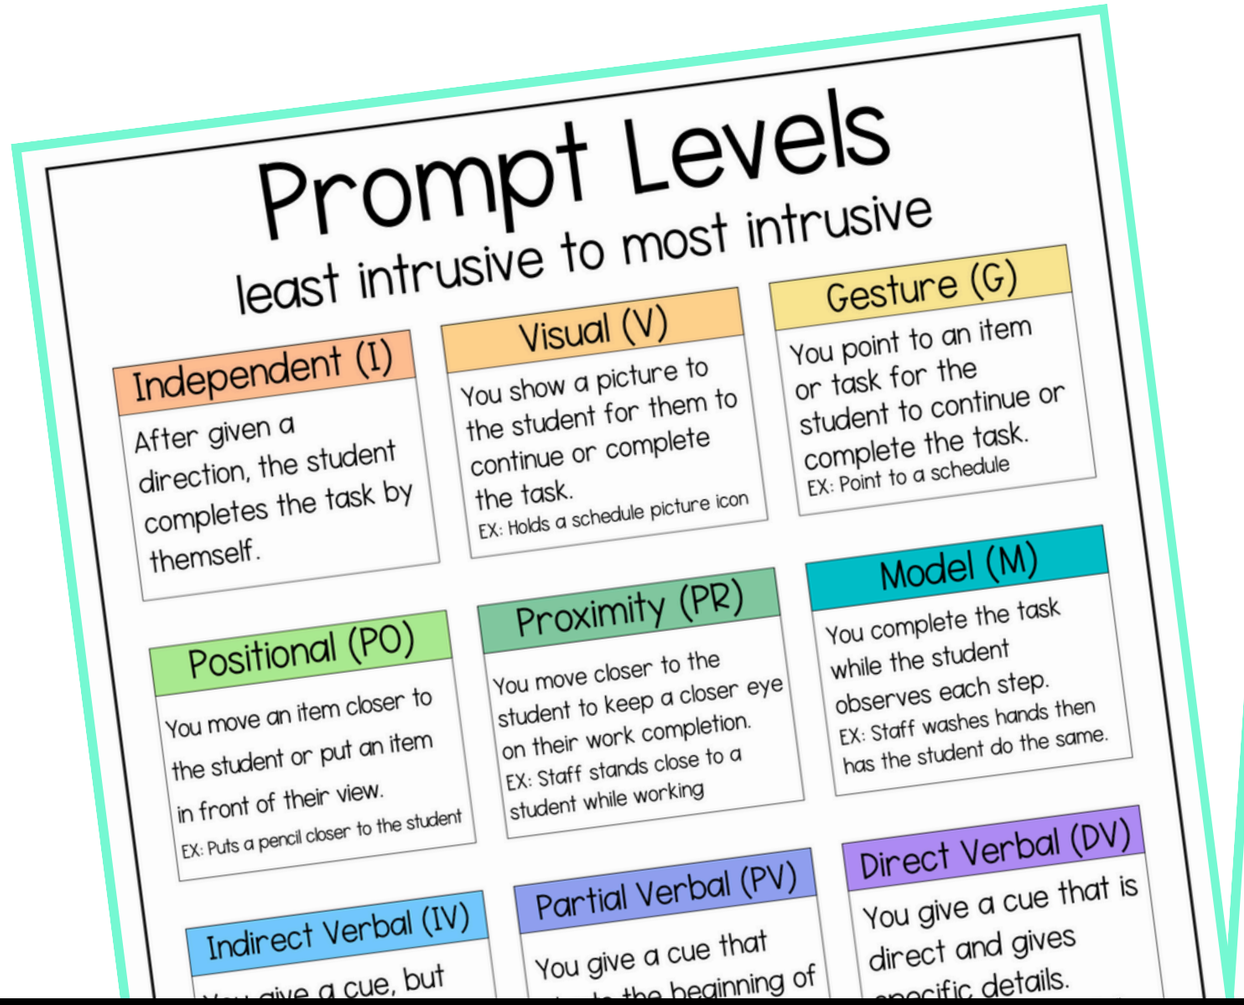

Goal 1: By the end of the IEP year, given verbal or visual prompts, the student will independently grip and twist the lid of a jar using a towel or jar opener if needed with 100% accuracy in 4 out of 5 opportunities as measured by teacher observation and data collection.

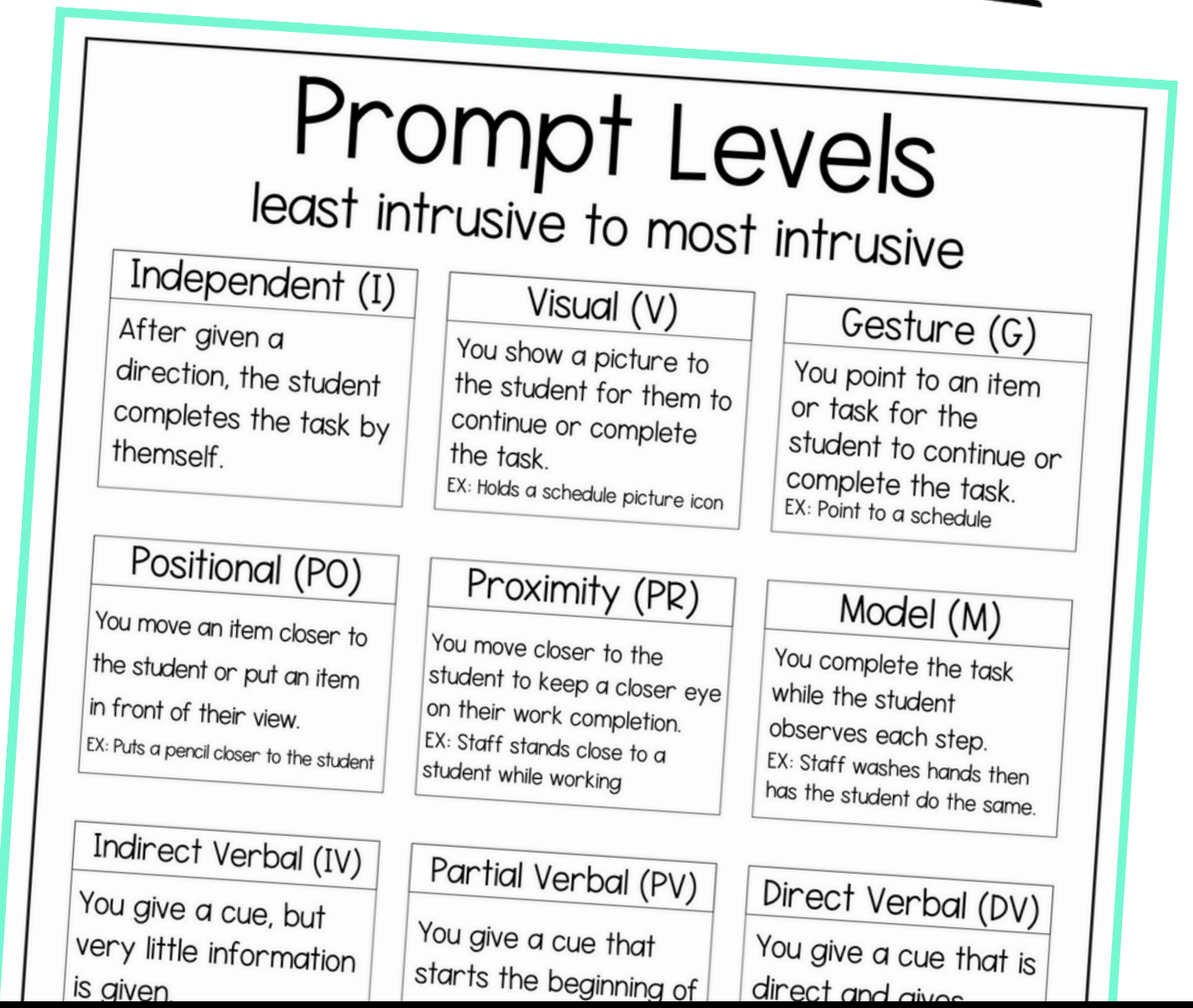

Goal 2: By the end of the IEP year, given assistance tools, the student will independently use a jar opener to open tightly sealed jars with 100% accuracy in 4 out of 5 opportunities as measured by teacher observation and data collection.

Goal 3: By the end of the IEP year, given modeling, the student will independently use proper hand placement to open a jar without injuring themselves with

What is included in this resource?

prompting levels visual to use as a classroom poster
