IEP GOAL SUGGESTIONS

Goal 1: By the end of the IEP year, given visual supports and verbal cues, the student will independently open a latched lunchbox by identifying the latch mechanism, manipulating it to release the latch, and opening the lunchbox to access its contents, demonstrating the ability to open a latched lunchbox with 100% accuracy as measured by teacher observation.

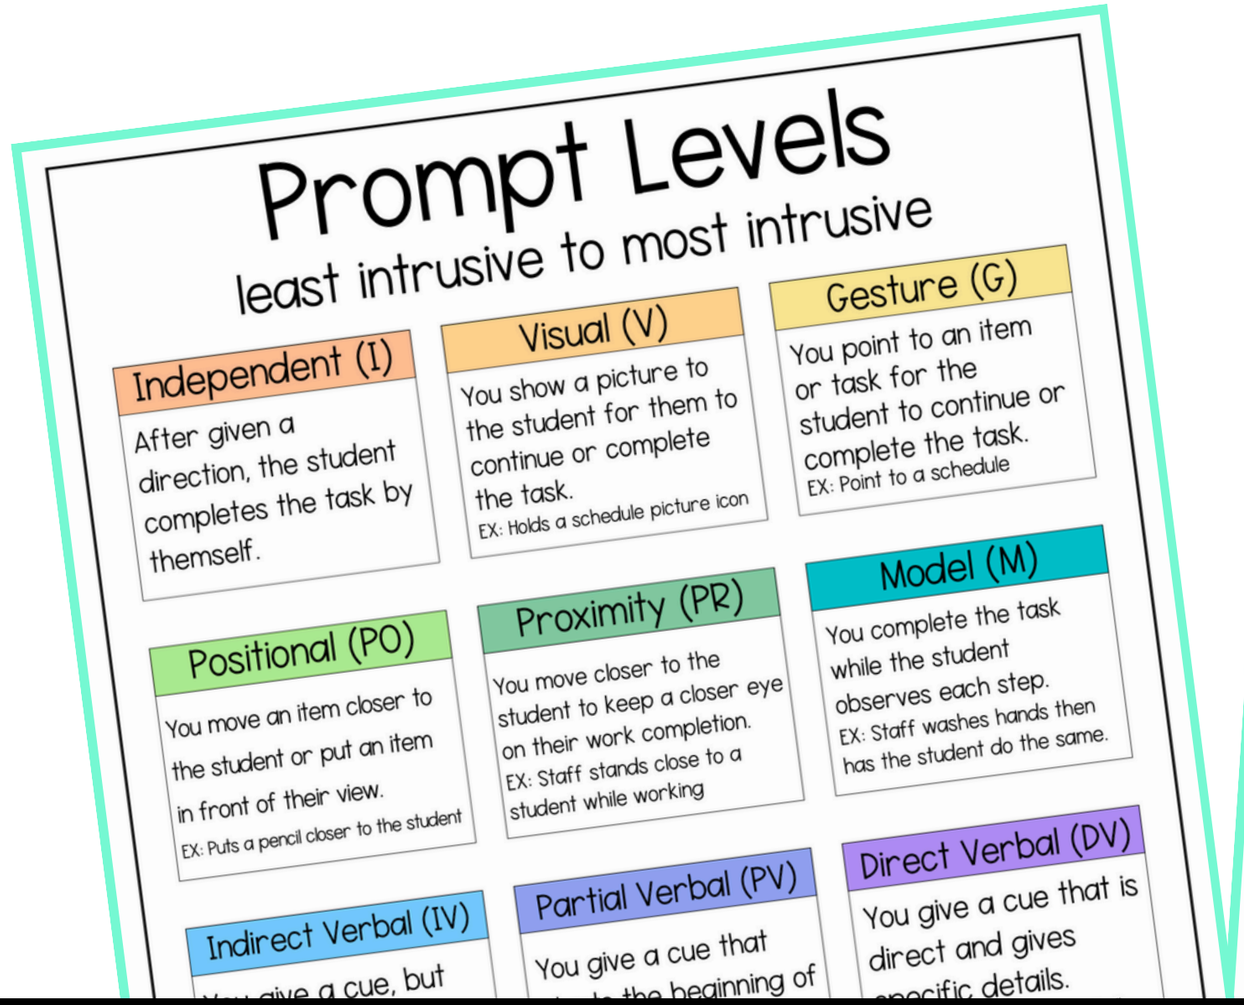

Goal 2: By the end of the IEP year, with the support of visual aids and hands-on guidance, the student will independently practice opening and closing a latched lunchbox by engaging the latch properly, exerting the correct amount of force to operate the latch, and successfully opening the lunchbox, showing increased independence in managing a latched container with 100% accuracy as documented by teacher notes.

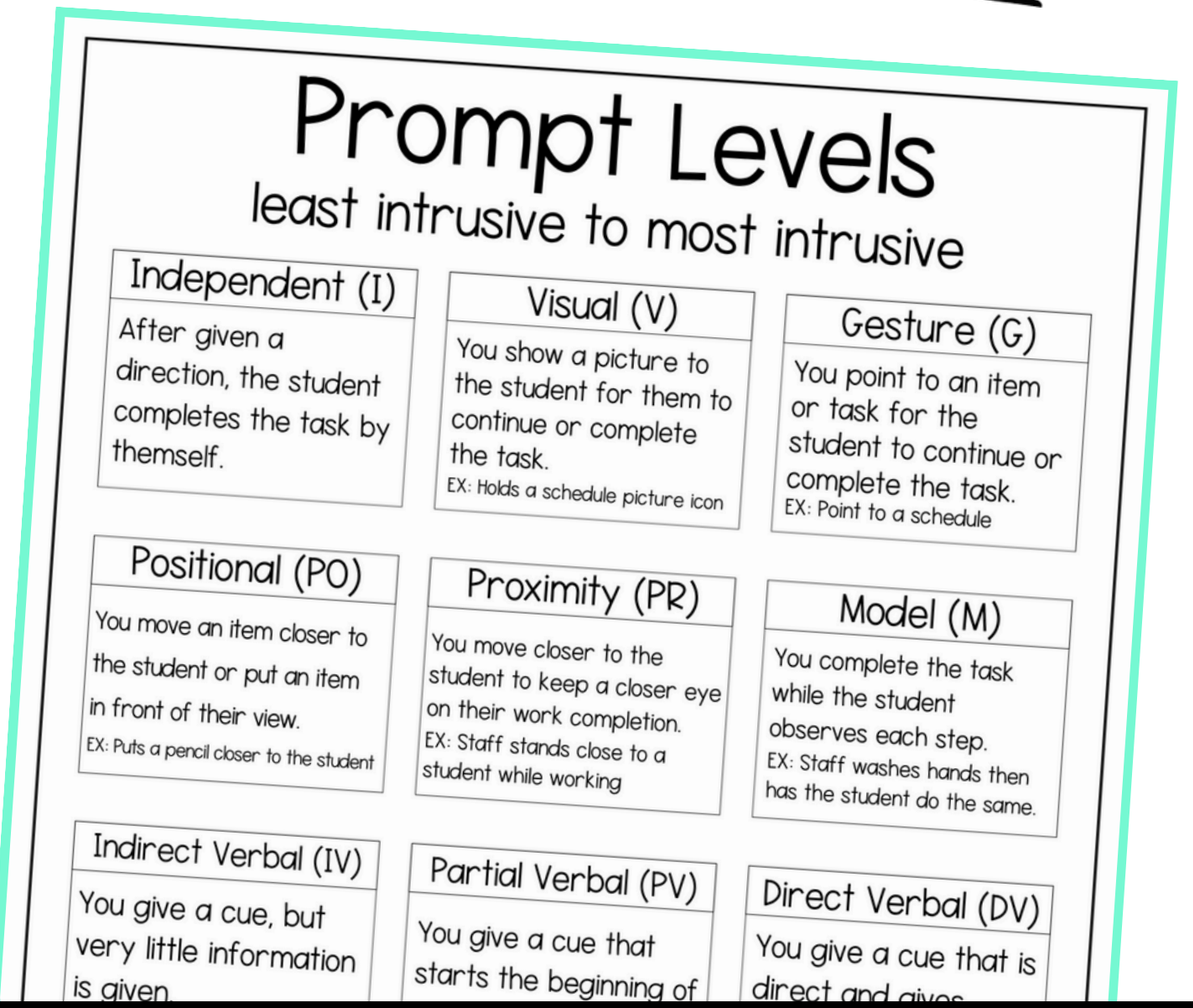

Goal 3: By the end of the IEP year, using visual prompts and task reminders as needed, the student will independently demonstrate proficiency in opening a latched lunchbox by applying consistent pressure to unlatch the closure, opening and accessing the lunchbox contents without assistance, showcasing mastery of lunchbox handling skills with 100% accuracy as measured by teacher task analysis.

Goal 4: By the end of the IEP year, the student will independently open a latched lunchbox with proficiency by consistently operating the latch mechanism, unlocking
