IEP GOAL SUGGESTIONS

Goal 1: By the end of the IEP year, given visual supports and verbal prompts, the student will independently select appropriate clothing items for the day's weather and activities, including top, bottom, and shoes, and dress themselves without assistance, as measured by teacher observation with 100% accuracy.

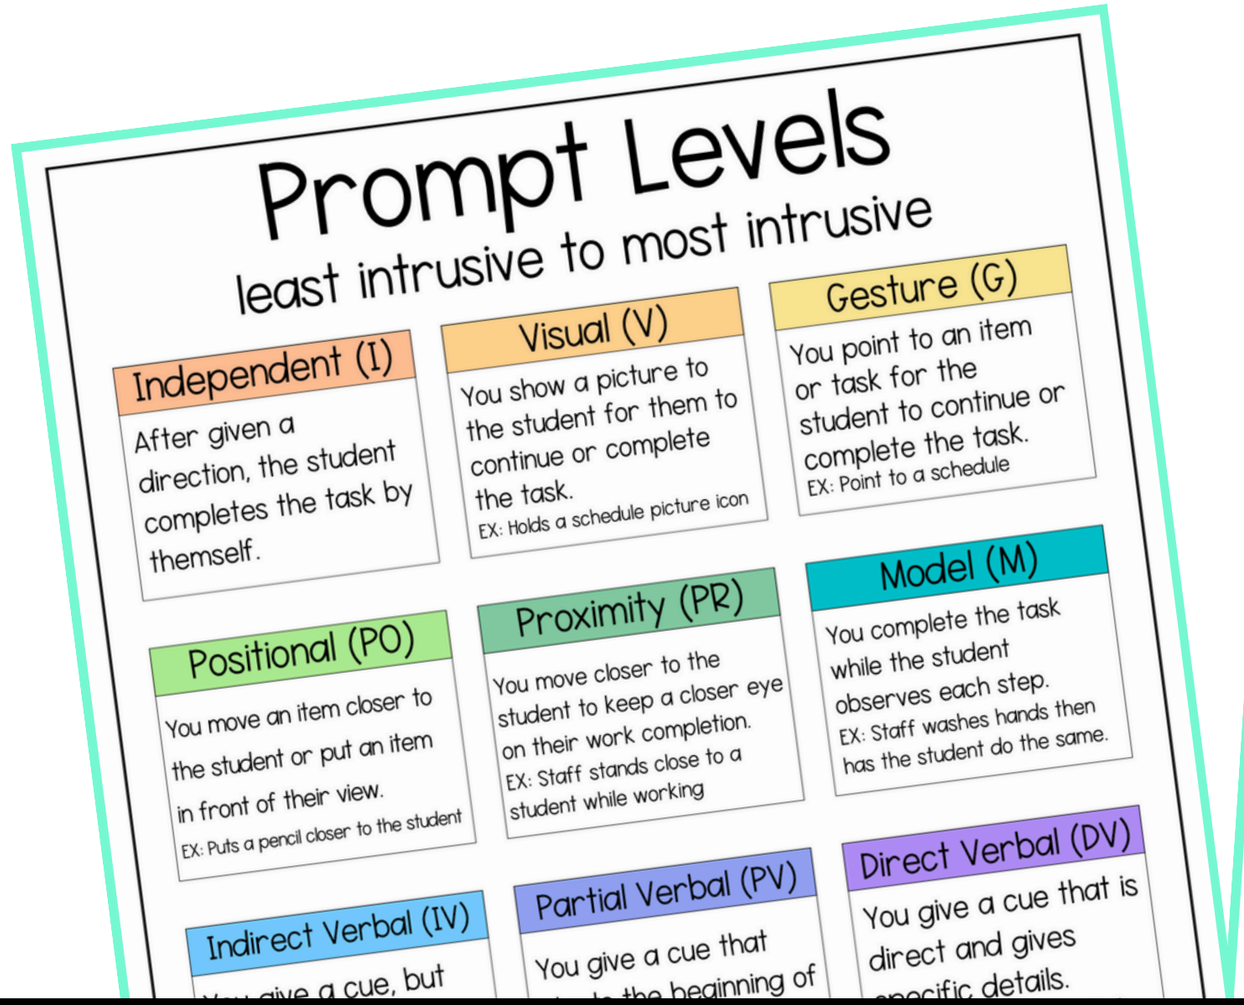

Goal 2: By the end of the IEP year, with the use of a visual wardrobe organization system and daily routines, the student will independently choose and assemble a complete outfit, including coordinating colors and appropriate clothing pieces, and dress themselves in the chosen outfit, as measured by teacher observation with 100% accuracy.

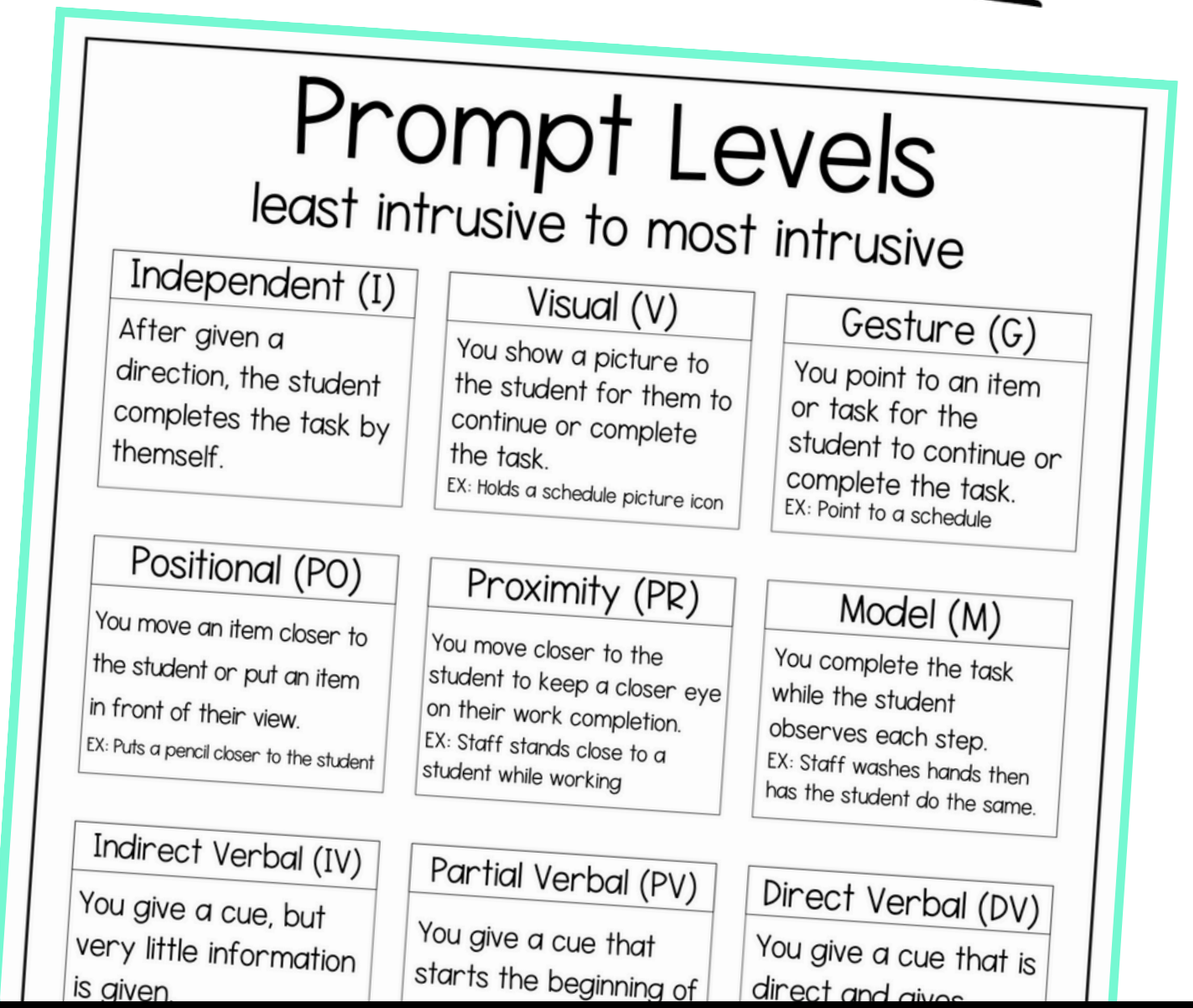

Goal 3: By the end of the IEP year, using a visual clothing selection chart and task analysis, the student will independently follow the steps to pick out their own clothes, including matching tops and bottoms, selecting weather-appropriate attire, and dressing themselves in the chosen outfit, as measured by teacher checklist with 100% accuracy.

Goal 4: By the end of the IEP year, the student will independently demonstrate the ability to choose and
