Counting On

task cards

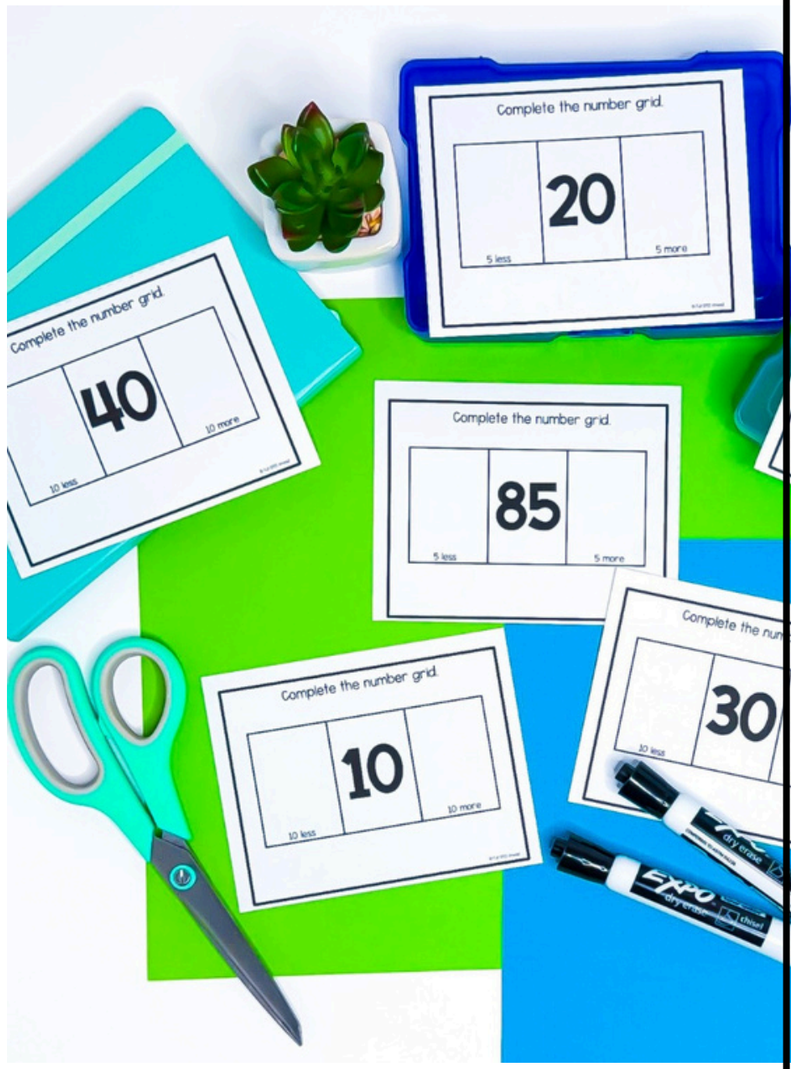

Check this out!

Use this in your special education classroom to teach math skills such as number sequences, skip counting, & counting forward and backward.

Why?

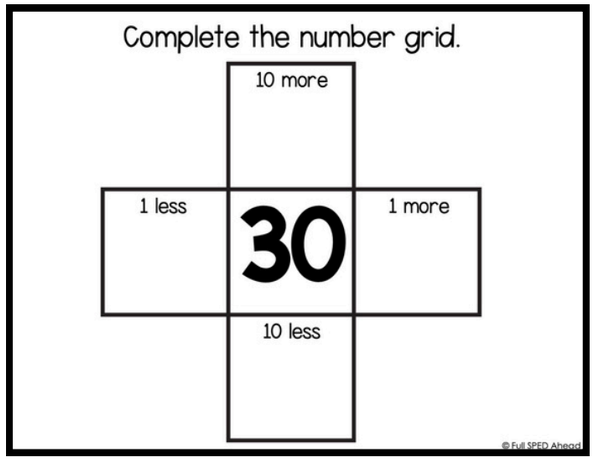

Counting On Task Cards

- Models start & stop task completion
- Students can show understanding
- Promotes independent work

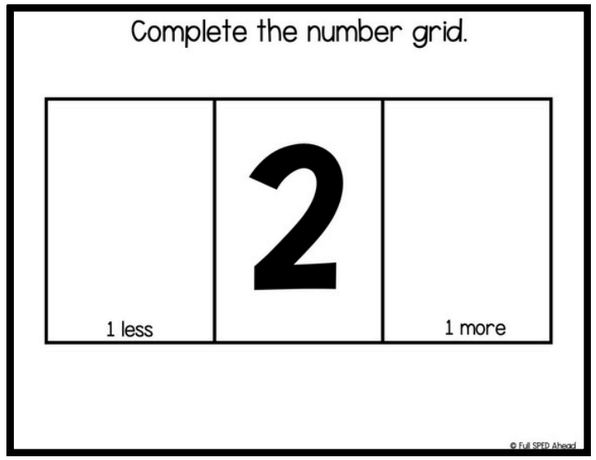

What is included in this resource?

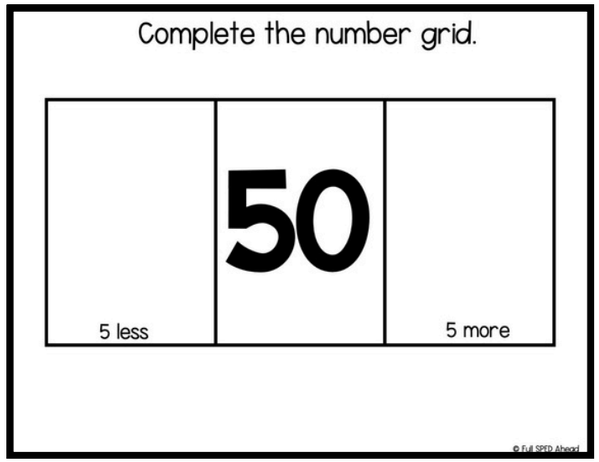

3 sets of task cards

4 GRID FILL IN

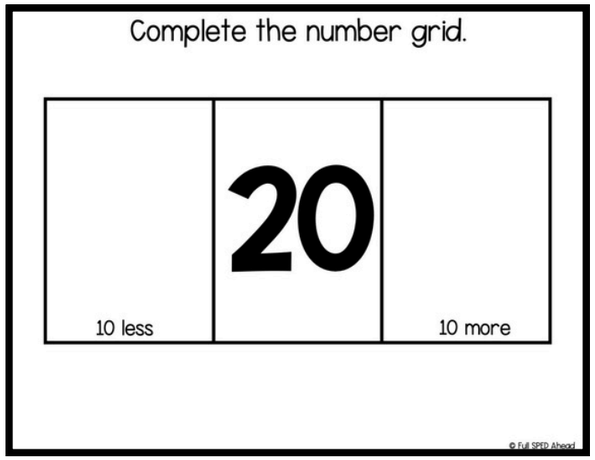

1 MORE, 1 LESS

5 MORE, 5 LESS

10 MORE, 10 LESS

How can I use this resource?

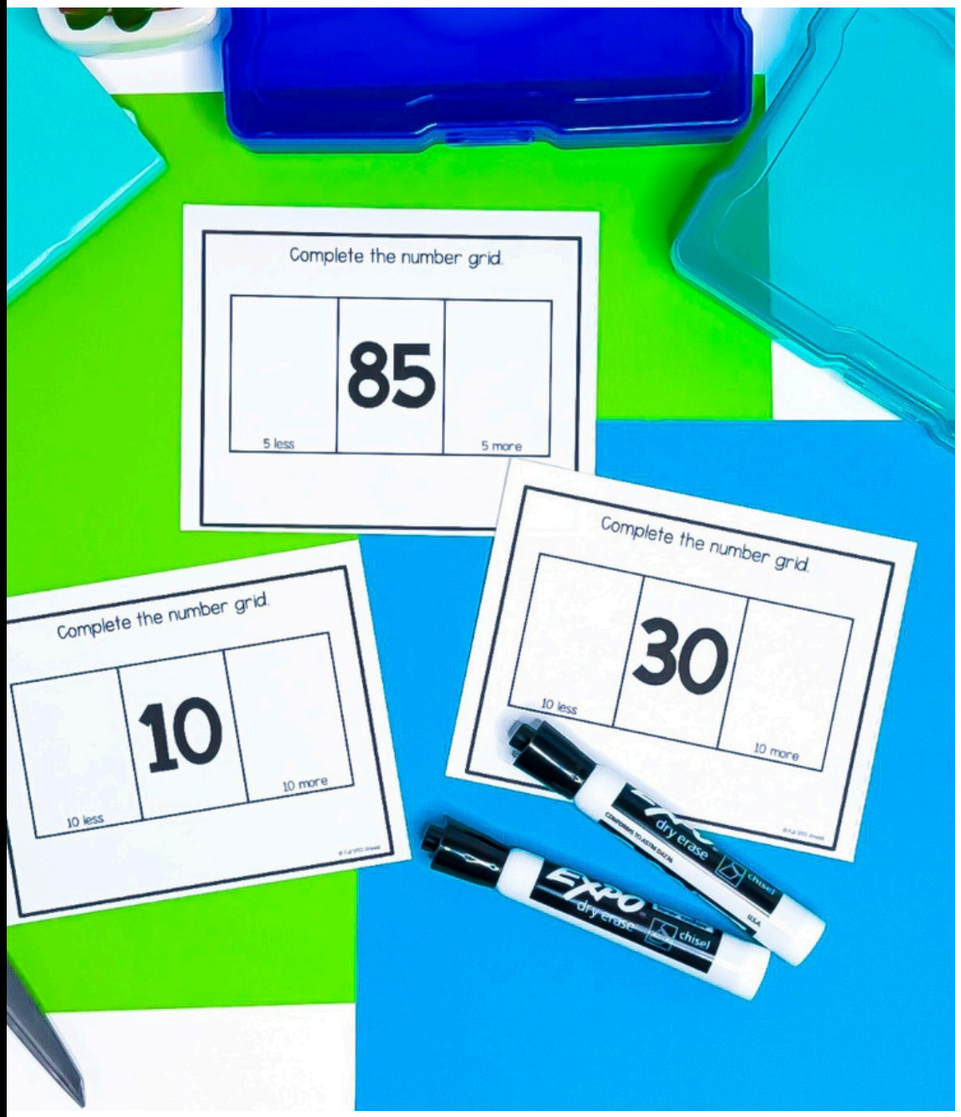

1. Use for morning work, independent centers, small groups, down time or whole group instruction

2. Put in student IEP binders or bins for data tracking

3. Students use a clothes pin, circle with a marker, point to or use a mini eraser to select answers

EASY PREP

Print the full set for your students & laminate for multiple uses for the entire school year and beyond!

I highly suggest using 5mil lamination
