IEP GOAL SUGGESTIONS

Goal 1: By the end of the IEP year, given a visual schedule and verbal prompts, the student will independently hold and maneuver a broom to sweep the floor in a back-and-forth motion, covering designated areas, as measured by teacher observation with 100% accuracy.

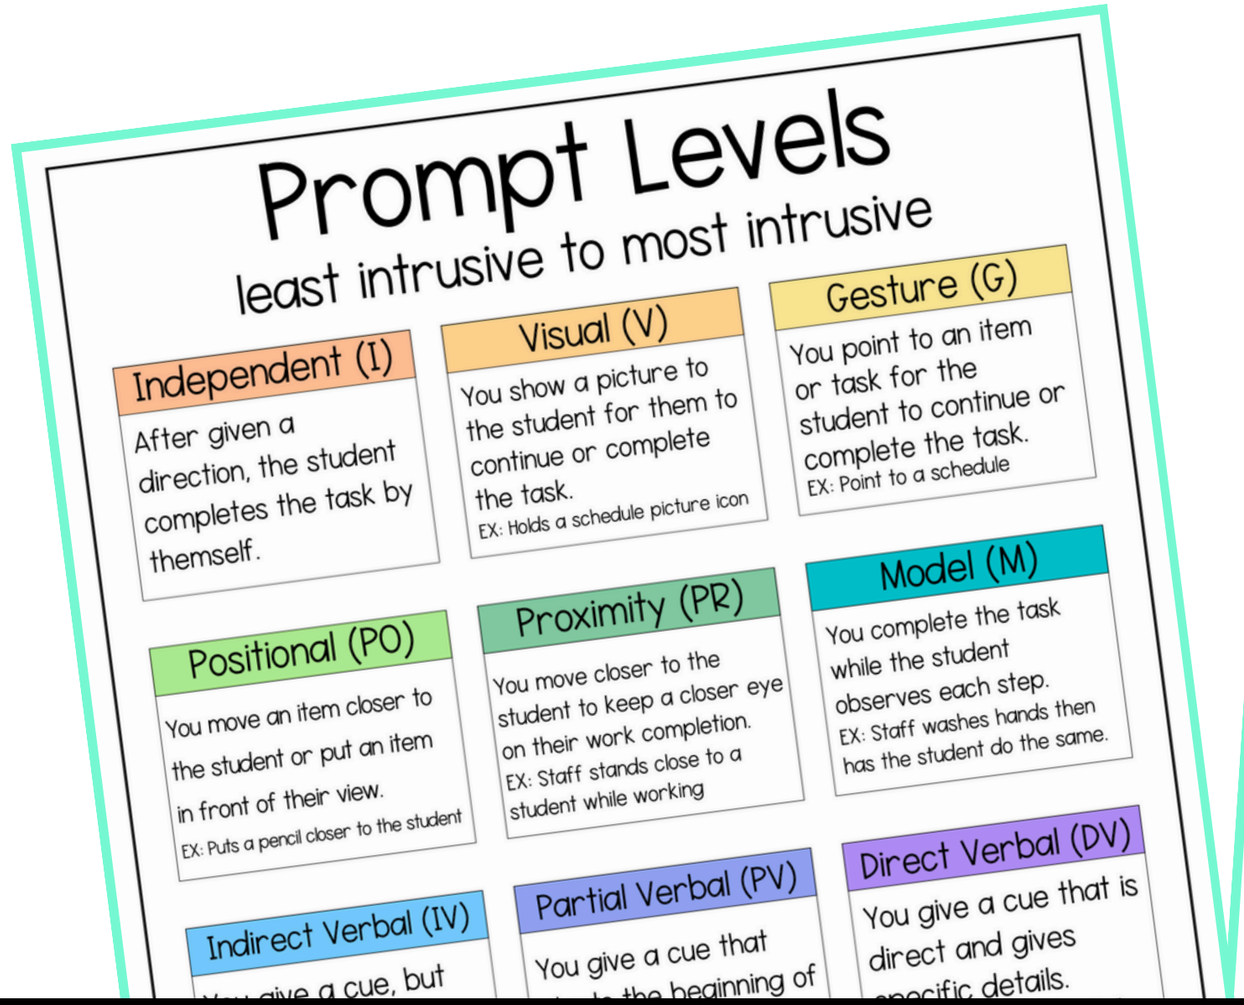

Goal 2: By the end of the IEP year, with the use of a visual prompt sequence and physical guidance as needed, the student will independently sweep small debris into a dustpan, empty the dustpan into a trash bin, and return the broom to its designated storage area, as measured by teacher observation with 100% accuracy.

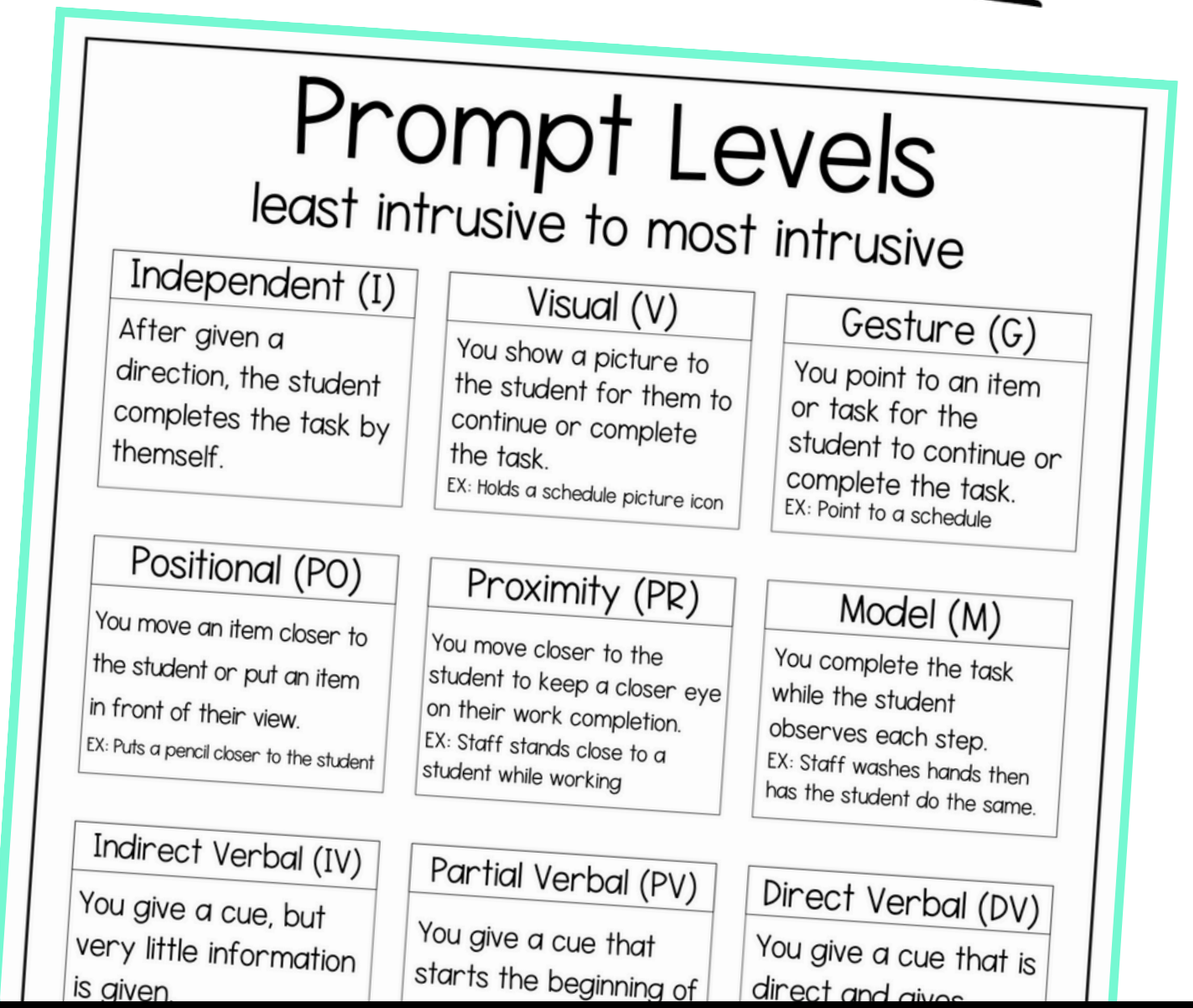

Goal 3: By the end of the IEP year, the student will independently select and use the appropriate broom for the task, identify areas that need sweeping, and complete the sweeping task without adult assistance, as measured by teacher observation and a checklist with 100% accuracy.

Goal 4: By the end of the IEP year, the student will demonstrate effective use of a broom to
